The Love Clothing Center is not a government agency and therefore do not receive any government funds. Everyone working here is a volunteer donating his or her time because we have been forgiven much by Jesus, and therefore we love much (Luke 7:47).

- Clients may schedule return visits every four months.
- If you need to return any items, feel free to bring them back during Clothing Center hours (please leave the colorful tags on new items when returning).
- We happily welcome donations back to the Love Clothing Center!

"You were called to freedom, brothers and sisters. Only do not use your freedom as an opportunity for the flesh, but through love serve one another. For the whole law is fulfilled in one word: *You shall love your neighbor as yourself.*"

-Galatians 5:13-

Since 1989, the Love Clothing Center has shared the love of Jesus with the people of the Lansing area by providing clothing for more than 35,000 children. Today, we continue to serve God and our community in the name of Christ, for his Glory.

CHRISTIAN *services*

Many Lansing-area Christian churches, comprising the Christian Services Network, donate the clothing and funds and help to furnish the volunteers that make the Love Clothing Center possible.

Christian Services has been working for churches in the Greater Lansing Area since October 1981, empowering and networking them to help their neighbors in need.

Individuals with any need can contact the Christian Services clearinghouse. If the need can be met within the existing help network, they will make a referral or share information about how to access the assistance.

At Judson, we are all about the Gospel (which means “good news”) of Jesus Christ! The Scriptures tell us that we were created in the image of God in order to glorify him and enjoy him forever. Instead of living out this purpose, however, we have all sinned and fallen short of God's perfect, holy standard. Our sin separates us from our Creator and brings his righteous judgment upon us.

But because God is Love, he came down in the person of Jesus Christ. Jesus lived a perfect and sinless life, which we could not do. He died a sinner's death, even though he never sinned. By God's love and grace, we can believe in Jesus as our Savior. When we do, his perfect and sinless life is credited to us and our sin is credited to him. His death gives us life, his blood pays our debt, and he adopts us as his children forever. The Bible says that, when we turn from our sin to Jesus, it is as if he removes our filthy clothes and gives us his own spotless linen garments of righteousness to wear.

Having been saved by God's love and grace, we are eager to share the Gospel with others. At Judson, we encourage and challenge each other and lift each other up in prayer. We also pray for everyone who comes to the Love Clothing Center. We pray God's blessings on you and would love to welcome you into our worship service on a Sunday morning, where we sing God's praises, read his Word, offer up our prayers, and seek his will together.
